# Northern Cape Mining Right Application - Social Economic Impact Assessment Survey

**Location:** Tsantsabane Local Municipality, Northern Cape **Farm:** Makganyene No. 667 **Extent of Mining Area:** 1,549.61 hectares **Farm**

**Portions:**

- Portion 2 (portion of Portion 1)
- Remainder Portion
- Remainder Portion of Portion 1
- Portion 3

**Minerals to be Mined:**

- Hematite
- Magnetite
- Goethite
- Limonite
- Siderite
- Pyrolusite
- Psilomelane
- Rhodochrosite
- Manganite
- Braunitz
- Hausmannite
- Manganese ore
- Iron ore
- Diamonds (general)

**Project Overview:** The client has applied for a Mining Right (MR), Environmental Authorisation (EA), and Waste Licence (WL) to undertake mining operations in the specified area. The project will involve the extraction of various minerals through open-cast mining methods. If the necessary approvals are granted, the mining operations will commence with the following **key activities**:

1. **Site Establishment and Infrastructure Development** – Setting up the necessary facilities and infrastructure to support mining operations.
2. **Excavation and Stockpiling** – Stripping and stockpiling of topsoil and overburden to access the ore.
3. **Open-Cast Mining Operations** – Including drilling and blasting to extract the mineral resources.
4. **Ore Processing and Transport** – Stockpiling, crushing of Run of Mine (RoM) ore, and transportation of crushed ore to Beeshoek Mine for further processing.
5. **Rehabilitation and Closure** – Implementing slope stabilization, landscaping, and rehabilitation measures to restore the affected areas post-mining.

## Consent and Notice of Project

### Consent and Notice

Your participation in this survey is completely voluntary. You are free to decline to participate or to stop the survey at any time. The survey should take approximately 15 minutes to complete. Your responses will be confidential. We will not release any personal information that could be used to identify you unless indicated otherwise by you. The data from this survey will be used for the purpose of understanding community views and concerns about the Mining Right Application. It will help us to ensure that the project is developed responsibly and sustainably.

1. Would you like to register as an Interested and Affected Party and continue to receive updates about this Mining Right Application?

By doing so, you give consent for your data to be used for this purpose.

☐ Yes

☐ No

## Questions

### 2. Name and Surname

### 3. Age Range

- ☐ 18-24
- ☐ 25-34
- ☐ 35-44
- ☐ 45-54
- ☐ 55-64
- ☐ 65+

### 4. Race

- ☐ White
- ☐ Black
- ☐ Indian
- ☐ Asian
- ☐ Mixed Race
- ☐ Other

### 5. Gender

- ☐ Male
- ☐ Female
- ☐ Other
- ☐ Prefer not to say

### 6. Contact details: City/Town, State/Province and Email or Cellphone number

7. Occupation

8. Education

- ☐ None
- ☐ Primary
- ☐ Secondary - Including Technical College
- ☐ Tertiary/Higher Education

9. Do you:

- ☐ Rent
- ☐ Own
- ☐ Prefer not to say

10. How many years have you lived in this community:

- ☐ Less than 1 year
- ☐ 1-5 years
- ☐ 5-10 years
- ☐ 10-15 years
- ☐ 15-20 years
- ☐ 20-30 years
- ☐ 30+ years

11. Do you think this Mining Right Application is a good or bad idea, why do you feel that way?

12. Looking at the designated development area, do you think the mining right will have a positive or a negative effect on the surrounding environment?

- ☐ Very Positive
- ☐ Positive
- ☐ Somewhat Positive
- ☐ Neutral
- ☐ Somewhat Negative
- ☐ Negative
- ☐ Very Negative

13. If you responded with negative to the above question, can you tell us why?

14. Do you think this mining right will help or change the lives of the people in the local community?

- ☐ Yes
- ☐ Maybe
- ☐ No

15. What are the biggest problems in the community right now?

- ☐ Crime
- ☐ Poverty
- ☐ Sanitation
- ☐ Litter & illegal dumping
- ☐ Lack of education
- ☐ Unemployment
- ☐ Environmental degradation (damages to the environment)
- ☐ Health care access
- ☐ Homelessness
- ☐ Other

16. Other: (biggest problems in the community currently)

17. Are you worried about how this mining right might affect the health and safety of the people in the community, can you tell us why?

18. In what way do you think we should ensure the safety of the people in the community while this mining right is being developed and run?

- ☐ Notifications, such as site notices and advertising.
- ☐ Community engagement, such as stakeholder engagement
- ☐ Security protocols, such as fencing and gates
- ☐ Traffic Management, such as implementing effective traffic management around the construction
- ☐ Environmental Monitoring
- ☐ Public Safety Information, such as a safety information leaflet

19. Do you have concerns about the potential alterations in land usage due to the mining right, or the possibility of relocation for residents?

- ☐ Yes
- ☐ Maybe
- ☐ No

20. If you responded with "yes" or "maybe" to the above question, can you tell us why?

21. Are there any significant or culturally important locations in the vicinity that could be impacted by the development?

22. In what ways do you think we can ensure the preservation and protection of these significant locations during the mining right's implementation?

23. How do you usually get around?

- ☐ Walk
- ☐ Bicycle
- ☐ Car or Motorcycle
- ☐ Public transportation e.g. Taxi or Bus

24. What road do you use the most? (Street/road name)

25. Could you please provide the names of the respected leaders or key individuals in this community? Additionally, can you tell us how to contact them?

26. Do you think the mining right will have a positive or negative effect on nearby property values?

- ☐ Positive
- ☐ Negative
- ☐ Unsure

27. Is there any additional feedback or thoughts you'd like to share regarding the mining right? These include any comments or concerns you have about the Project.

## Conclusion:

### ***Thank you!***

We appreciate your participation in this survey. As independent consultants, our goal is to ensure that development is conducted in a manner that honors the environment, supports the local economy, and preserves the community's social structure. Your input is invaluable in shaping our approach.
