Dear Mr Herman Coetzee ,

Re: Notification , consultation and request for access with land owners

I would like to confirm that Bongani Minerals (Pty) is the registered Prospecting Right holder in terms of Department of Mineral resources Reference No.: WC30/5/1/1/2/434PR over your property being:

Portion 21 of the Farm Namaquasfontein , Swartland District , Western Cape (Title Deed: T12500/2012)

I would hereby like to take this opportunity to inform you that Bongani Minerals (Pty) Ltd has submitted an application for a Mining Right in terms of Section 22 of the Mineral and Petroleum Resources Development Act, 2002 (Act No 28 of 2002) with Reference No.: WC30/5/1/2/2/10110MR

We are fully aware of the environmental sensitivity of the Moutonshoek valley and thus we will be embarking on a full Environmental Impact Assessment (EIA) , which will be conducted by an independent environmental practitioner and a team of independent specialists who will conduct the EIA and specialist studies and all these documents and information will be provided to you as land owner and interested and affected party.

In a previous application it seems that there was a sense of conflict and mistrust between the land owners and the applicant which we would like to sincerely change as we are embarking on an independent full EIA process in terms of NEMA EIA Regulations to ensure that the proposed listed activities are properly investigated and that the impact of such activities are fully recorded in the EIA.

We thus kindly and respectfully request that you as land owner allows the independent environmental practitioner and team of specialists access to your property to conduct the following studies:

- Heritage Impact Assessment
- Palaeontological Impact Assessment
