DRAFT BASIC ASSESSMENT REPORT NOTICE

To whom it concerns

Dear Sir/Madam

07 November 2025

RE: NOTICE OF THE DRAFT BASIC ASSESSMENT REPORT AND ENVIRONMENTAL MANAGEMENT PROGRAMME FOR A MINING PERMIT APPLICATION IN TERMS OF THE MINERALS AND PETROLEUM RESOURCES DEVELOPMENT ACT, 2002 (ACT NO 28 OF 2002) (MPRDA), THE NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998 (ACT 107 OF 1998) (NEMA), AND THE ENVIRONMENTAL IMPACT ASSESSMENT REGULATIONS, 2014 (AS AMENDED) (EIA REGULATIONS) SUBMITTED BY GRAVEL NORTH (PTY) LTD. REFERENCE NUMBER: FS 30/5/1/3/2/10445 MP.

Notice is hereby given in terms of the Mineral and Petroleum Resources Development Act, 2002 (Act No 28 of 2002) (MPRDA), the National Environmental Management Act, 1998 (Act 107 of 1998) (NEMA), and the Environmental Impact Assessment Regulations 2014 (as amended), that Gravel North (Pty) Ltd ("Applicant") applied for:

- environmental authorisation in terms of the NEMA and EIA Regulations, and
- a mining permit in terms of Section 27 of the MPRDA to mine gravel from a portion of Portion 2 of the farm Glen Thorne No 2163, Mangaung District, Free State Province.

The property has an existing borrow pit that was historically used for the extraction of gravel for private use on the farm. The proposed mining site of this application will serve as an extension of the existing pit with 2.75 ha. The mining method will involve direct excavation using earthmoving equipment. When necessary, a crusher and screening plant will be utilised to size the material, after which it will be stockpiled. Stockpiled material will be loaded onto client trucks for removal from the site.

The proposed project triggers the following listed activity in terms of NEMA and the EIA Regulations 2014 (as amended) and therefore requires an EIA (basic assessment) process:

■ EIA Regulations GNR 983 Listing Notice 1 of 2014 (as amended) Activity 21

Any activity including the operation of that activity which requires a mining permit in terms of section 27 of the Mineral and Petroleum Resources Development Act, as well as any other applicable activity as continued in this Listing Notice or in Listing Notice 3 of 2014, required to exercise the mining permit.

The draft Basic Assessment Report (DBAR) with Environmental Management Programme (EMPR), is now available for public comment. Copies thereof can be obtained from Greenmined Environmental (Pty) Ltd upon request or downloaded from the company website at <https://www.greenmined.com/mining-permits/>.
