In view of the current National State of Disaster and the Covid-19 pandemic, it was after careful consideration (and consultation with the DMRE) decided, that a public participation meeting was held virtually to discuss the contents of the DEIAR on 10 April 2021.

I&AP's were invited to register for a public meeting,

By submitting their name, contact details, reason for interest, issues or concerns, via email, or in writing, or by telephone to Greenmined Environmental, above by no later than 31 March 2021;

In the event that any I&AP, would prefer a different meeting format then, the relevant I&AP was requested to advise Greenmined accordingly in order for Greenmined to attempt to do everything necessary, to accommodate any such reasonable request.

I&AP's were however requested, to bear in mind the limitations placed on the Public Participation Process by the COVID regulations (specifically, but not limited to, constraints and issues relating to Public gatherings) and other obvious practical considerations.

Several requests were received for an additional meeting due to the Focus Group for the Sweet Sensation Public Participation Meeting, also scheduled for Saturday 10 April 2021.

In order to accommodate those I&AP's who have to attend the Sweet Sensation Public Participation Meeting Additional Public Participation Meetings on Saturday 17 April 2021 were held.

Further requests were received for the scheduled meeting time of the meetings on Saturday 17 April 2021 not to be between 10:00 and 12:00 due to the unavailability of some I&APs that needed to attend another Meeting, also scheduled for Saturday 17 April 2021.

Due to the request above two meeting slots were made available to I&APs to choose from as follows:

- 17 April 2021 at 7h00 (physical and virtual)
- 17 April 2021 at 13h00 (physical and virtual)

Due to technical difficulties only one of the meetings on Saturday 17 April 2021 took place virtually and physically, in order to accommodate all relevant qualifying I&AP's (by submitting their name, contact details, reason for interest, issues or concerns, via email, or in writing, or by telephone to Green mined Environmental, above by no later than 31 March 2021; or any I&AP, that would prefer a different meeting format and advised Green mined accordingly).

Furthermore, additional Public Participation meetings was held at the Lindequesdrift and Barage informal settlements on Saturday 24 April 2021. The purpose of these meetings is specifically to accommodate persons' resident in these settlements (and the rural surrounding areas) who may not have access to internet or WiFi, and / or who may not be able to obtain transport to the physical meeting held on Saturday 17 April 2021.

These meetings were held at the following locations and times:

- Barrage Informal Settlement – On open Land in front of Barrage Primary School, located at Area 577 Kaalplaats Barrage 1900 Gauteng Province, (open space approximately 100m South west from Barrage Police Station) - GPS Co-ordinates 26.762991 - 27.678541 at 9:00 – 10:00;
- Lindequesdrift/Vaal Oewer Informal Settlement – On open Land immediately adjacent to Lindequesdrift (Vaal Oewer) informal settlement, North West Province, on main road (Open Space approximately 750m south from the Vaal Oewer entrance - GPS Co-ordinates - 26,7309250, 27,5842210 at 11:00 – 12:00.

These meetings on Saturday 24 April 2021 were conducted in Sesotho, English and Afrikaans.

Due to technological difficulties experienced at the aforementioned Public Participation Meeting scheduled to take place Virtually and Physically on 17 April 2021 at 07h00, which resulted in many I&APs not being able to take part in the meeting.

I&APs that intended to attend the aforementioned Meeting scheduled to be held on 17 April 2021 at 07h00, were invited to attend the additional Meeting held 17 April 2021, at 13h00, Physically or Virtually.

I&APs that intended to attend the aforementioned Meeting scheduled to be held on 17 April 2021 at 07h00 were contacted, via SMS and Telephone Call, in order to notify and invite such I&APs to the Meeting scheduled that took place, 17 April 2021 at 13h00, and to the further Meetings on 21 April 2021 and 24 April 2021.

An Additional Virtual Meeting was Held 21 April 2021 at 17h00

A further Meeting was accordingly arranged, to be held Virtually on Wednesday 21 April 2021, at 17h00, which I&APs that intended on taking part in the Meeting scheduled to take place 17 April 2021 at 07h00 could attend, in the event that they were unable to attend the Virtual and Physical Meetings scheduled to take place on 17 April 2021 at 13h00 and/or 24 April 2021.

The Presentation Material herewith provided, has been produced from, and in accordance with, the DEIAR and Specialist Studies, and as such, did not constitute any new Material, which was not included in the DEIAR.

The Presentation Material, was provided to I&APs, in order to provide I&APs with a concise and succinct summary of the Material Facts of MCCP's Application.

Ancelotti backs rookie Virginia

EVERTON will be without injured goalkeepers Jordan Pickford and Robin Olsen for today's FA Cup quarter-final with Manchester City but manager Carlo Ancelotti said yesterday that youngster Joao Virginia is a capable replacement.

Portuguese Virginia made his Premier League debut when he replaced Pickford in the first half of last Saturday's 2-1 home defeat by Burnley after the England international injured himself while attempting to make a save.

Olsen, who joined Everton on loan from Roma last year, has not played since their 2-0 defeat by Fulham last month as

he nurses a knock and Ancelotti was asked if the absence of his senior goalkeepers was a cause for concern.

"No I'm not worried, because Joao is young, a goalkeeper without experience, but he has a lot of quality. I'm not worried for the absence of the two goalkeepers," Ancelotti told a news conference.

"I'm not complaining for the players that are not available. It'll be a difficult game, but I don't think it's an easy game for City. They have better quality than us, but I'm sure they will have a difficult game. It's a knockout, a really important game. We have a big desire to go forward

in this competition. I have confidence as usual, above all in this type of game. We are focused, we are concentrated."

Guardiola echoed Ancelotti's words and said City will not take their opponents lightly.

"Every competition is hard ... I know how important this competition is," Guardiola said. "We know how difficult it is to beat Everton ... It's a final tomorrow."

"The quality of the players is there – no doubts about that. They're fighting for qualification for the Champions League – that shows how good they have been."

■ FORMUAL ONE

A record eighth for Lewis or first for Verstappen

LEWIS Hamilton can win a record eighth Formula One world championship while his Mercedes team celebrate an unprecedented eighth successive title double in the longest ever season, pandemic permitting.

Alternatively, the planned 23-race championship could mark the end of an era with Red Bull's Max Verstappen leading a generational changing of the guard.

It may even be 'farewell Sir Lewis', with the newly-knighted Briton – set also to become the first driver to win 100 races – extending his contract only to the end of 2021.

"I chose to have a one-year deal so that I could see how the year goes," he said. The season also sees a Schumacher lining up on the starting grid for the first time since Michael's departure at the end of 2012 and Saudi Arabia making its debut with a night race in Jeddah.

Red Bull's car was quick, stable and reliable in pre-season testing, with Verstappen fastest, while Hamilton and teammate Valtteri Bottas were unsettled by the skittish handling of the Mercedes.

Mercedes say Honda-powered Red Bull have the edge on performance but Red Bull, who have brought in the experienced Mexican Sergio Perez alongside Verstappen, say Mercedes are very much the favourites.

Either way, the stage is set for the closest-fought battle yet between the king and the youngster who would seize his throne. The March 28 season-opening race in Bahrain will provide some clarity, with testing notoriously unreliable as an indicator of form, but the title battle looks set to remain between last year's top two teams.

FORMULA One ace Lewis Hamilton

"They've had some really good running, both drivers have been looking quite strong. They are going to be a different machine or animal this year with a really good, strong line-up and a really good car," said Hamilton of Red Bull.

"You can imagine they are going to be right there in the first race and it's going to be a great long battle with them through the year."

The grid will feature four world champions, with the return of two-time title-

holder Fernando Alonso, now 39, to the team that used to be Renault and will now be racing under Alpine branding and with new leadership.

Four-times champion Sebastian Vettel has moved from Ferrari to Aston Martin, competing as a constructor for the first time since 1960 after Racing Point changed their name, and 41-year-old Kimi Raikkonen races on at Alfa Romeo.

McLaren are the only team to have changed engine supplier, switching from Renault to Mercedes, and they also have Australian Daniel Ricciardo replacing Carlos Sainz, who has joined Ferrari.

The Italian team endured their worst season in 40 years in 2020, failing to win a race and finishing sixth overall, but a more powerful engine should help them fight more for podiums at least.

Three rookies make their debuts, with Mick Schumacher attracting much of the attention as the Formula Two champion follows the path of his Ferrari great father. The German is joined at Haas by Russian Nikita Mazepin, whose billionaire father has provided the team's title sponsorship.

Japan will also have a driver on the grid for the first time since 2014, with Yuki Tsunoda joining AlphaTauri.

Crowds could return, at least for the later grands prix, after most of 2020 was spent racing behind closed doors due to the pandemic, and experimental Saturday 'sprint qualifying' races are set to feature with points awarded.

The shape of the season could still change, however, with uncertainty over whether all of the 23 races will happen. Australia, the usual opener, has already moved to November. | Reuters

Dolphins will host Titans in Four-Day series final

STUART HESS
stuart.hess@inl.co.za

THE Dolphins will host the Titans in the final of the Four-Day series starting next Thursday, following a convincing seven-wicket victory against the Warriors in Gqeberha.

Once again Keshav Maharaj stepped to the fore, claiming six second innings wickets as the KwaZulu-Natal franchise overhauled the Knights in the final round of league action to finish atop Pool A, and because they gained more log points than the Titans, they earned the right to host next week's final, which will be played over five days.

After bowling the Warriors out for 124 on the first day, the Dolphins built a 244-run first innings lead thanks to a hard fought 111 from Khaya Zondo, which came after his side had slumped to 108/4 at the start of their first innings. Maharaj weighed in with another crucial half-century. His first innings 66, while not as explosive as his 89 off 62 balls at the Wanderers last week, was nevertheless invaluable in helping to build that substantial first innings lead.

The Warriors fought back well in their second innings, led by Ed Moore's 155. But having got to 245/1, and in a position from which they could have set up a tricky fourth innings chase, the Warriors were then

spun out by the magnificent Maharaj, who picked up 6/93 as the Warriors were bowled out for 345.

The Dolphins knocked off the required 112 runs for the loss of three wickets, giving them 25.16 points, enough to see them surge to the top of Pool A. In fact, the win ultimately didn't matter, because the Knights, who came into the final round of fixtures with a narrow lead in Pool A, were blown away by the Cape Cobras at Newlands.

The Cobras' innings and 215-run victory snapped a 15-match winless streak for Western Cape franchise, and sees one of the most successful teams during the franchise era sign off on a high note, after what have been two very difficult seasons.

Pieter Malan's career-best 264, was the backbone of a first innings total of 523/8 declared by the Cobras, that also included another hundred for Kyle Verreynne. It gave the Cape side a lead of 345 runs after they'd bowled the Knights out for 181 in their first innings.

George Linde then produced his own career-best performance, claiming 7/29, as the Knights capitulated in their second innings, and were bowled out for 127.

It brought a disappointing end to what had otherwise been a promising campaign for the central franchise, that saw the likes of Migael Pretorius and Raynard van Tonder step to the fore.

In the last match of the pool, at the Wanderers

between the Titans and Lions, the two Protea-laden sides produced some high quality moments before it ended in a draw yesterday afternoon.

Aiden Markram backed up his fifth century of the competition in the first innings, with another elegant half century in the second after the Titans had been asked to chase 313 on the final day, ultimately finishing on 149/2 when the players shook hands.

Markram fell 55 runs short of notching up 1000 runs for the season, and sadly for the Titans won't be able to push for that landmark, as he'll enter the bio bubble for the One-Day series against Pakistan, and will thus miss the final in Durban.

Outstanding Batsman: There were five hundreds in the last round of pool fixtures, including Malan's double in Cape Town, and Markram's fifth of the campaign at the Wanderers, but given the time at which it came, and what was at stake for his side, Zondo's 111 stands apart. Zondo batted for nearly four hours, faced 156 balls, and hit 15 fours and three sixes.

Outstanding Bowler: Despite missing two matches, Keshav Maharaj is the competition's leading wicket-taker with 34 at an average of 20.47, having taken four 'five-fors' and a 'ten-for.' Again his intervention on Thursday afternoon was vital for the Dolphins, as he bamboozled the Warriors' middle and lower order to set up a comfortable fourth innings target.
