

# Zoë Norval

## Who Am I

*I consider myself to be a hard-working, humble and energetic individual, that is focused on growing my skill set and thrive on challenging myself in difficult situations. My positive attitude towards life results in me being flexible, respectful and disciplined, which makes me cooperative in a professional working environment.*

*I am a very ambitious person and I'm uncomfortable with settling, and I'm constantly searching for an opportunity to improve myself. I understand that adaptation is often necessary. Hence, I am always open to criticism and strive to receive superior mentorship.*

## Qualifications

### **Bachelor of Science (Environmental Science)**

Nelson Mandela University (2015-2018)

### **Bachelor of Science Honours (Botany)**

Subject 1 Environmental Impact Assessments

Subject 2 Geographical Information Systems (GIS)

Subject 3 Marine botany

Nelson Mandela University (2019-2019)

**EAPASA candidate reg nr: 2021/3941**

## Experience

### **Plett Seal Adventures [Dec 2018 - Jan 2019]**

Dive master for a Seal diving company in Plettenberg Bay.

### **Ocean Blue [June 2018 – July 2019]**

Volunteering for Ocean blue entailed sampling data such as, seal occurrence in Keurbooms river and pollution in the Bitou River .

### **SAMREC [Jan 2016 – Dec 2016]**

Volunteered at Port Elizabeth's SA marine rehabilitation and education centre which focuses on the rehabilitation of any injured marine fauna.

### **Greenmined Environmental (Pty) Ltd (Jan 2021 – present)**

Her expertise comprises a range of environmental services, Environmental Control and Environmental Performance Assessments / Compliance Audits, preparation of environmental related documentation, Mining Right and Permit applications and applications for Environmental Authorisations

Dear Ms Fouché

**Registered Environmental Assessment Practitioner: Number 2019/1003**  
**Christine Fouché : South African ID 8102260030081**

The Environmental Assessment Practitioners Association of South Africa (EAPASA) herewith certifies that Christine Fouché is a Registered Environmental Assessment Practitioner (EAP) in accordance with the prescribed criteria of Regulation 17.(2) of the Section 24H Registration Authority Regulations (Regulation No. 849, Gazette No. 40154 of 22 July 2016, of the National Environmental Management Act (NEMA), Act No. 107 of 1998, as amended). Your re-registration is duly authorised by EAPASA as the sole Registration Authority for EAPs in South Africa (appointed as per Regulation No. 104, Gazette No. 41434 of 8 February 2018, in terms of section 24H(3)(a) of the NEMA). Your status as a Registered EAP is displayed in the 'EAP Register' - please find your name and contact email address at <https://registration.eapasa.org/registered-practitioners>.

Your re-registration is effective for a further period of five years from 24 January 2025 and expires on 24 January 2030. The renewal of your registration in 2029 will be contingent on you having met the requirements of EAPASA's Continuing Professional Development (CPD) policy during each year of registration and be in Good Standing through payments of all Annual Fees as stipulated in Government Notice No. R196, Gazette No. 41485 of 7 March, 2018. It is recommended that registered EAPs obtain at least 1 CPD point annually for Category 1 and Category 3(c) mentorship category.

As a Registered EAP you are required to uphold the EAPASA Code of Ethical Conduct and Practice in your professional endeavours and ensure a high standard of quality assurance in the field of environmental assessment practice.

Please accept my congratulations on your re-registration.

Best Regards

Dr Patrick Sithole  
Registrar

Date: 14 February 2025
