

Regarding:

REFERENCE NUMBER: WC/30/5/1/3/2/10219MP

Smit Grondwerke (Pty) LTD

CLOSURE OF MINING PERMIT

15.04.2025

To Whom this may concern:

Herewith I, Mr. Gerrit Erasmus & Mrs. Hester Susanna Smith, the landowners of Portion of Remaining Extent on Portion 2 of Farm 199, situated in the District of Clanwilliam, Western Cape Province.

Accept that the mining area as above has been rehabilitated and accept the following reports:

- Final Performance Assessment Report (Regulation 55)
- Environmental Risk Report (Regulation 60)
- Closure Plan of Smit Grondwerke (Pty) Ltd (Regulation 62)

I do not have any objection to the issuing of a closure certificate/cancellation of the financial provision.

I am satisfied with the condition of the site as being fully rehabilitated and I will use the area again as a potato plantation circle that will be planted as soon as rezoning to agricultural land is done.
