We refer to your letter received: **09 January 2024.**

We confirm that as at the date of this letter that no land claim appears on our database in respect of the Properties this includes the database for claims lodged by 31 December 1998; and those lodged between 1 July 2014 and 27 July 2016 in terms of the Restitution of Land Rights Amendment Act, 2014.

Whilst the Commission takes reasonable care to ensure the accuracy of the information it provides, there are various factors that are beyond the Commission's control, particularly relating to claims that have lodged but not yet been gazetted such as:

- Some Claimants referred to properties they claim dispossession of rights in land against using historical property descriptions which may not match the current property description; and
- Some Claimants provided the geographic descriptions of the land they claim without mentioning the particular actual property description they claim dispossession of rights in land against.

The Commission therefore does not accept any liability whatsoever if through the process of further investigation of claims it is found that there is in fact a land claim in respect of the above property.

If you are aware of any change in the description of the above property after 19 June 1913 kindly supply us with such description so as to enable us to do a further search.

Yours faithfully

Dr. M. Du Toit
Chief Director: Land Restitution Support-Northern Cape

Deel boodskap van hoop op teeparty

'n Herfstteeparty is onlangs vir die inwoners van die Minerva Gardens-aftreeoord in Kimberley aangebied. Marlene Delpert, 'n afgetrede bevelvoerder van die Suid-Afrikaanse Militêre Gesondheidsdiens en maatskaplike werker, was die spreker op die geleentheid op 17 April. Sy het oor hoop gepraat en onder meer gesê dat 'n mens se optrede van so 'n aard moet wees dat ander hoop daaruit kan put. Die teeparty is deur die lede van die Minerva-komitee gereël. 'n Soortgelyke geleentheid vind kwartaalliks plaas. FOTO: VERSKAF

Vind vreugde, mobiliteit deur skenking

Weens misvorming van die skelet, gepaardgaande met erge pyn, kon Elsabé Malan (foto) van Kimberley die afgelope vyf jaar nie die buitelig en haar tuin beleef en geniet nie. Trappe by die voor- en agterdeur het haar mobiliteit gestrem, omdat sy van 'n rolstoel gebruik maak. 'n Vrou van die stad, wat anoniem wil bly, het hiervan te hore gekom en R6 400 aan die Vereniging van en vir Persone met Gestremdhede in die Frances Baard-distrik (APD-FB) geskenk vir 'n oprit aan die voorkant van Malan se huis. Groot was die opwinding toe die oprit klaar deur Ecoflash gebou is en Malan in haar rolstoel uit die huis kon beweeg. Malan sê sy het nie woorde om haar dank uit te spreek aan die skenker nie, en sy bid dat die Here haar sal seën. "Dit is die mandaat van APD-FB om die lewe vir sulke mense makliker te probeer maak. Met geld wat ons onder meer met Losliddag insamel, bring ons 'n verskil mee en doen ons bewusmaking," sê Dorothy-Anne Howitson, sekretaris van die APD-FB. FOTO: VERSKAF
