Zoë Norval

Who Am I

I consider myself to be a hard-working, humble and energetic individual, that is focused on growing my skill set and thrive on challenging myself in difficult situations. My positive attitude towards life results in me being flexible, respectful and disciplined, which makes me cooperative in a professional working environment.

I am a very ambitious person and I'm uncomfortable with settling, and I'm constantly searching for an opportunity to improve myself. I understand that adaptation is often necessary. Hence, I am always open to criticism and strive to receive superior mentorship.

Qualifications

Bachelor of Science (Environmental Management)

Nelson Mandela University (2015-2018)

Bachelor of Science Honours (Botany)

Subject 1 Environmental Impact Assessments

Subject 2 Geographical Information Systems (GIS)

Subject 3 Marine botany

Nelson Mandela University (2019-2019)

EAPASA candidate reg nr: 2021/3941

Experience

Plett Seal Adventures [Dec 2018 - Jan 2019]

Dive master for a Seal diving company in Plettenberg Bay.

Ocean Blue [June 2018 – July 2019]

Volunteering for Ocean blue entailed sampling data such as, seal occurrence in Keurbooms river and pollution in the Bitou River .

SAMREC [Jan 2016 – Dec 2016]

Volunteered at Port Elizabeth's SA marine rehabilitation and education centre which focuses on the rehabilitation of any injured marine fauna.

Greenmined Environmental (Pty) Ltd (Jan 2021 – present)

Assisting with environmental services, Environmental Control and Environmental Performance Assessments / Compliance Audits, preparation of environmental related documentation, Mining Right and Permit applications and applications for Environmental Authorisations

EMPLOYMENT HISTORY

May 2012 – present

Greenmined Environmental

Managing Director and Environmental Consultant

My duties consist of:

Management of company and team of consultants,

Liaising with clients

Compilation of Environmental Management Programs,
Environmental Impact Assessments (Basic Assessments
and Full EIA's)

Compliance Monitoring

ECO Monitoring

GIS – Drawing locality and site maps for applications
using planet GIS.

Responsible for the public participation processes during
projects

Applications for mining authorization, water use
authorizations and waste disposal permits.

Liaise with authorities

Water Use Authorizations

Water use license processes including the following:

- Consultation with applicants
- Managing water use applications
- Compiling Waste Water Management Plans

Training of new employees

June 2009 – April 2012

Envioworks Environmental Consultants

Environmental Practitioner

My duties consist of:

Management of Cape Town Branch including all
management duties involved.

Liaising with clients

Compilation of Environmental Management Programs

Environmental Impact Assessments (Basic Assessments
and Full EIA's)

Compliance Monitoring

ECO Monitoring

GIS – Drawing locality and site maps for applications using planet GIS.
Responsible for the public participation processes during projects
Applications for mining authorization, water use authorizations and waste disposal permits.
Liaise with authorities
Water Use Authorizations
Water use license processes including the following:

- Consultation with applicants
- Writing reserve requests
- Compiling draft licenses

Training of new employees

October 2006 – May 2009

H2ON Environmental Specialists

Environmental Practitioner
My duties consist of:
Administration general tasks
Invoices
Debtors and creditors
Environmental Management Programs
Environmental Impact Assessments (Basic Assessments and Full EIA's)
GIS – Drawing locality and site maps for applications using planet GIS.
Responsible for the public participation processes during projects
Applications for mining authorization, water use authorizations and waste disposal permits.
Liaise with authorities
Water Use Authorizations
WARMS database (Water Authorization Management System)
Water Quality Monitoring
Our company was contracted by the Department of Water Affairs and I was handling the backlog water use license processes including the following:

- Compiling an access data basis
- Consultation with applicants

COMPUTER LITERACY

Microsoft office: Word, Excel, Access, Outlook, Power Point, Arcgis, Planet GIS.

SHORT COURSES:

- Principals and Application of Integrated Production of Wine
- Dust and Noise Monitoring
- Water Quality Monitoring: Principals, Approaches and Techniques
- SAGIC Invasive Species Training
- Mining Social and Labour training
- Planet Gis Training Course

TYPING SKILLS

50 – 60 WPM

TERTIARY EDUCATION:

Completed 1st year LLB at University of the Free State

- Legal History
- Legal Practice
- English for law
- Roman Law
- Criminal Law

Completed 3-year Diploma in Ministry

Currently busy with a degree in Environmental Management at the University of South Africa and completed the following:

-
- Plant Studies I*
- Conservation Development I
- Information Systems
- Practising Workplace English
- Geography 1
- Geography 2*
- Culture as Human Resource
- Fundamentals of Communication
- Our Living Earth
- Intro to Development Studies
- Development Info skills Life learning
- Legal Aspects of Environmental Management
- Environmental Education
- Research in Social Sciences

SECONDARY EDUCATION:

Matriculate at High School Sentraal, Bloemfontein, South Africa, 1997 – 2001 Senior Certificate Qualification (GCSE A – LEVEL EQUIVALENT.)

- First language Afrikaans

- Second language English
 - Physiology
 - Home Economics
 - Biology
 - Mathematics
 - Physical Science
-

PERSONAL DETAILS:

GENDER: FEMALE
MARITAL STATUS: MARRIED
BIRTH DATE: 22 – 06 - 1983
NATIONALITY: SOUTH AFRICAN
INTERESTS & ACTIVITIES: MUSIC, HORSE RIDING, NETBALL, ATHLETICS,
READING AND SOCIALISING

PERSONAL ABILITIES

- Trustworthy, loyal and hard working,
- Good communication skills and strong interpersonal abilities,
- Pro-active planner,
- Creative thinker, and
- Goal orientated.

OFFICIAL DOCUMENTATION

Sonette Smit

830622 0214 087

The person mentioned has received formal instruction and training on the subject of Fallout Dust Monitoring, Theory and Practical.

Training Date: 4 September 2012 (1 Day Course)

Synopsis of Training - Practical:

Changing DustWatch buckets; Basic operational use of the DustWatch units; Filtering water from the buckets and collecting the dust on filters.

Synopsis of Training - Theoretical:

What is fallout dust and how to collect it; settling velocity and shape of dust particles; Understand how to calculate the fallout dust monitoring results in mg/m²/day and how to interpret these results; Report writing and presentation options for the results; Trace element analysis;

Dear Mrs Smit

Registered Environmental Assessment Practitioner: Number 2020/2467
Sonette Smit : South African ID 8306220214087

The Environmental Assessment Practitioners Association of South Africa (EAPASA) herewith certifies that Sonette Smit is a Registered Environmental Assessment Practitioner (EAP) in accordance with the prescribed criteria of Regulation 15.(1) of the Section 24H Registration Authority Regulations (Regulation No. 849, Gazette No. 40154 of 22 July 2016, of the National Environmental Management Act (NEMA), Act No. 107 of 1998, as amended).

Your registration is duly authorised by EAPASA as the single Registration Authority for EAPs in South Africa (appointed as per Regulation No. 104, Gazette No. 41434 of 8 February 2018, in terms of section 24H(3)(a) of the NEMA). Your status as a Registered EAP is displayed in the 'EAP Register' - please find your name and contact email address at

<https://registration.eapasa.org/registered-practitioners>

Your registration is effective for a period of five years from 30 December 2021, and expires on 30 December 2026. The renewal of your registration in 2026 will be contingent on you having met the requirements of EAPASA's Continuing Professional Development (CPD) policy during each year of registration.

As a Registered EAP you are required to uphold the EAPASA Code of Ethical Conduct and Practice in your professional endeavours, towards the goal of quality assurance in environmental assessment practice.

Please accept my congratulations on your registration.

Best regards

Dr Patrick Sithole
Registrar
Date: 30 December 2021
